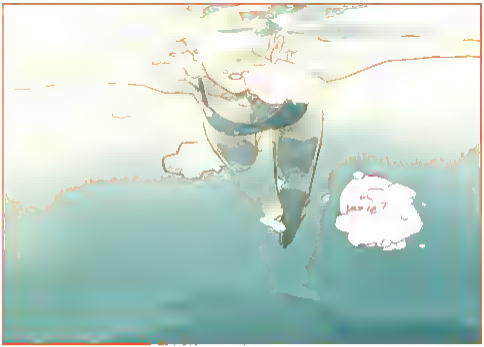
Beloved.

CHAPTER 9

DON'T SPEAK

Hm?

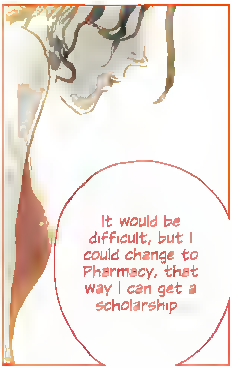


What did you say?

Let's.

Go abroad
together.

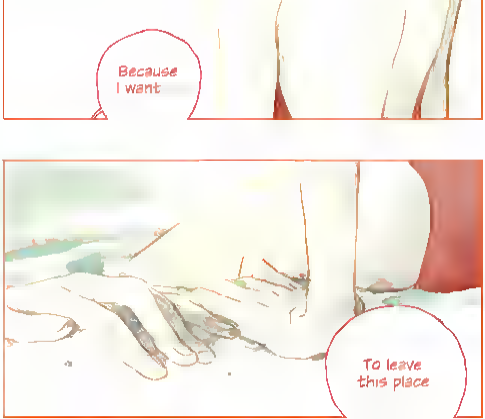
Go abroad? For residency?



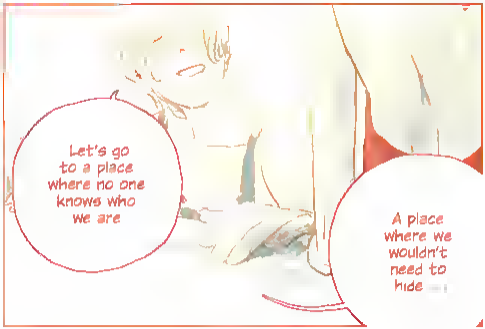
It would be difficult, but I could change to Pharmacy, that way I can get a scholarship

Or we could go to Germany,
There's no tuition there, it's just the language - But none of this even matters!

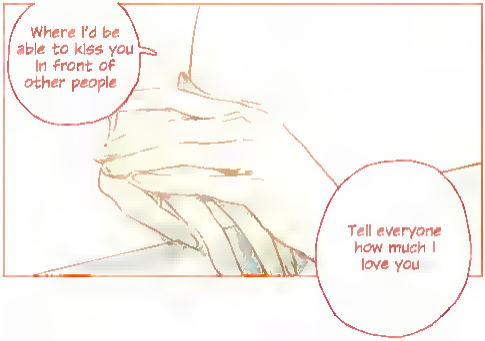
. Why are you bringing this up all of a sudden _?
Because I want



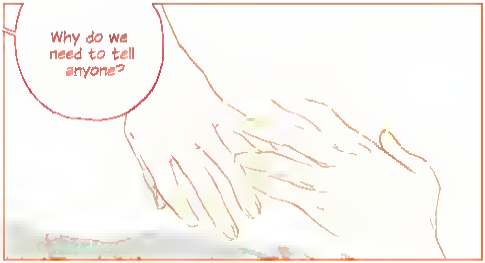
To leave this place



Let's go to a place where no one knows who we are
A place where we wouldn't need to hide

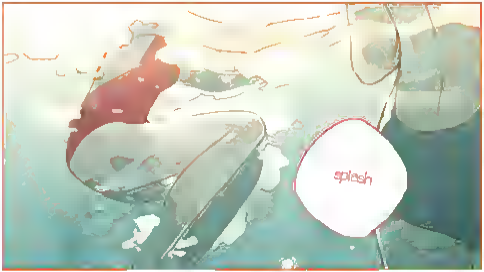


Where I'd be able to kiss you in front of other people
Tell everyone how much I love you



Why do we need to tell anyone?

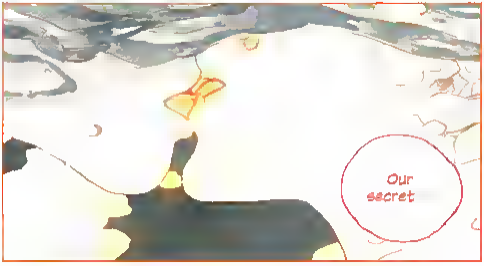
Isn't it good enough that I know?



splash

This belongs between.

The two of us



Our secret

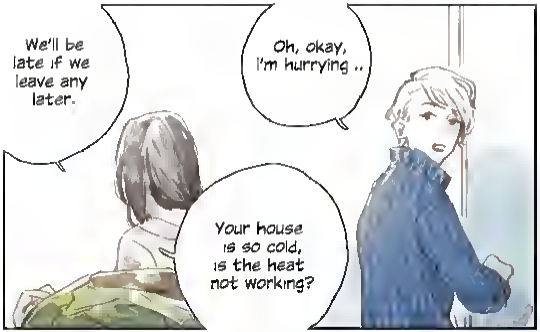
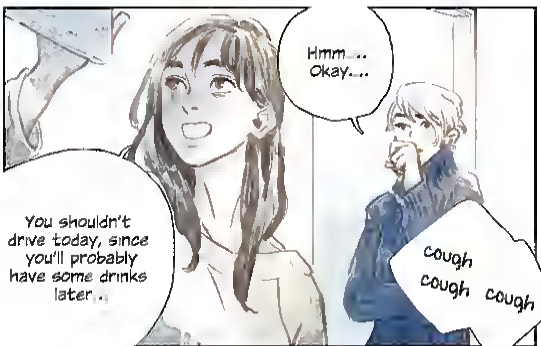
Hurry hurry!



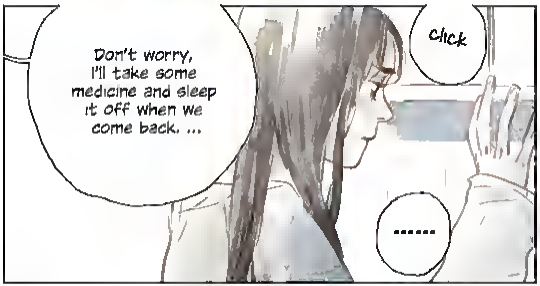
We'll be late if we leave any later.
Oh, okay, I'm hurrying ..
Your house is so cold, is the heat not working?



Hmm... Okay...
You shouldn't drive today, since you'll probably have some drinks later..
cough cough cough

Hey— you aren't feeling well?
cough
It's nothing, just my sinuses...

It's been a hectic few days at the hospital, I haven't gotten any rest
I worked another night shift yesterday, so I've only slept three hours..



Don't worry, I'll take some medicine and sleep it off when we come back. ...

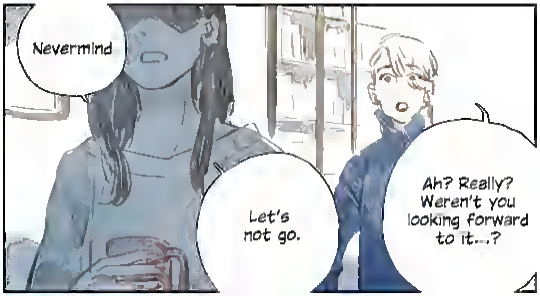
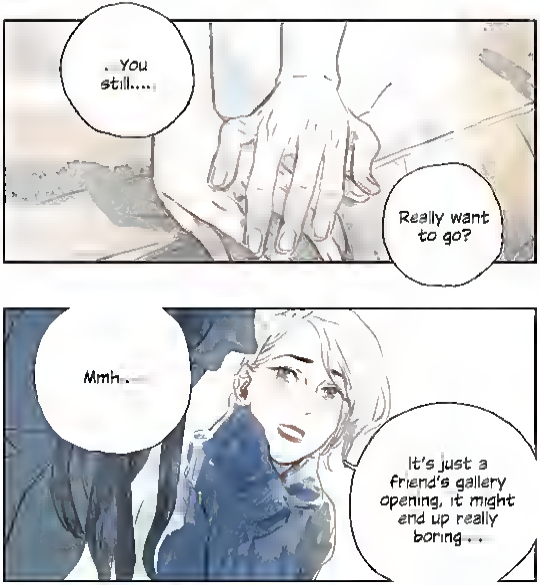
.....

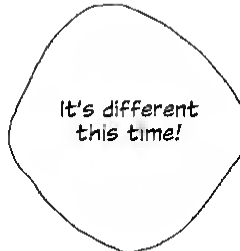


Nevermind
Let's not go.
Ah? Really? Weren't you looking forward to it...?

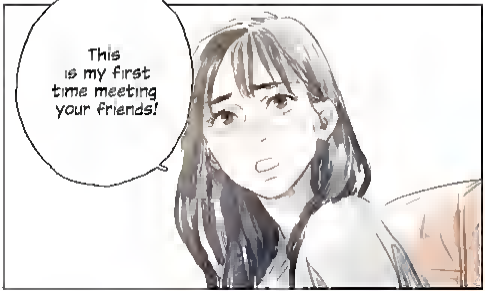
...I can't help it if you're sick
It's great that you don't mind.
I'm actually pretty tired and don't want to go out today...
We can change the date and go to that place you liked with the eel rice.
Next time, I'll definitely...
.....



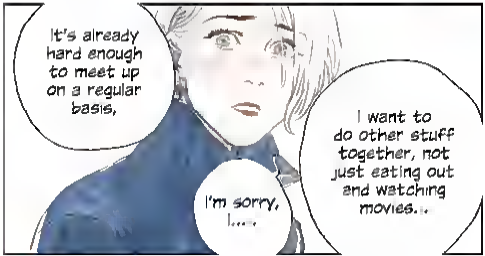
..You still.....
Really want to go?
Mmh...
It's just a friend's gallery opening, it might end up really boring...



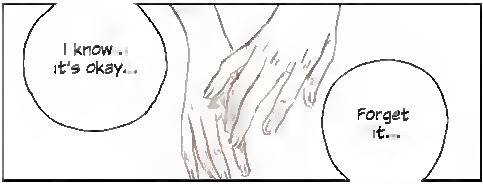
It's different
this time!



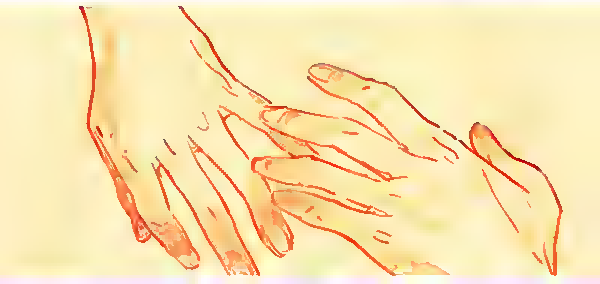
This is my first time meeting your friends!

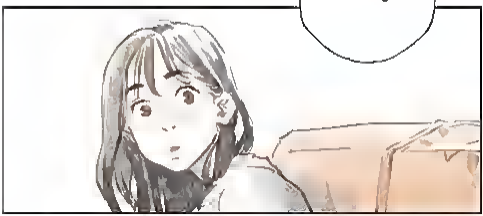


It's already hard enough to meet up on a regular basis,
I'm sorry, I....
I want to do other stuff together, not just eating out and watching movies...



I know..
it's okay...
Forget
it...

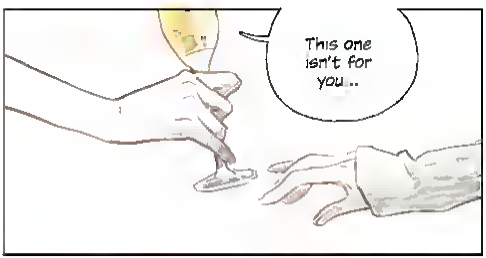




Let's go.

Or we'll really be late.

Yeah!



This one isn't for you...

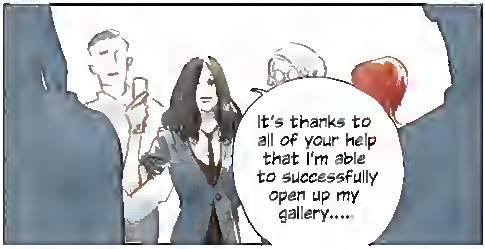
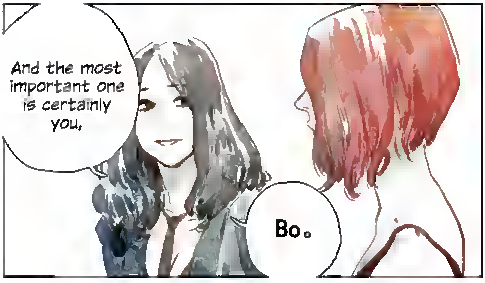
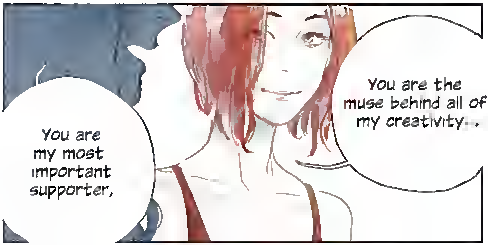
To my friends who are here today,



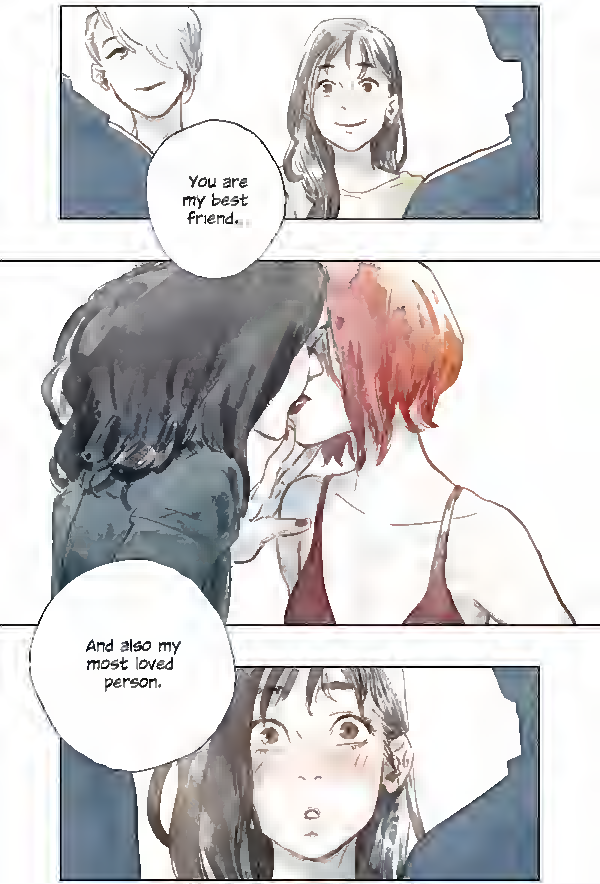
It's thanks to all of your help that I'm able to successfully open up my gallery....



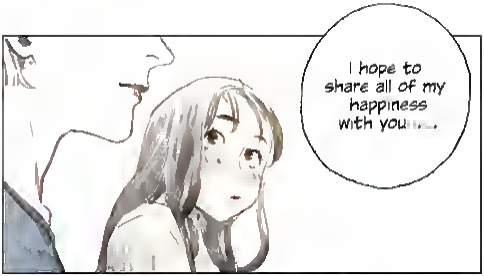
And the most important one is certainly you,
Bo。



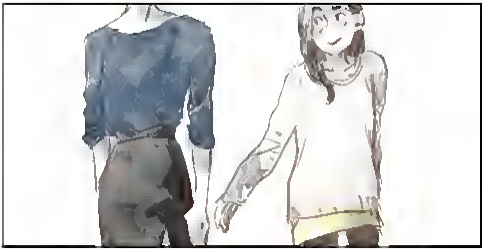
You are the muse behind all of my creativity...
You are my most important supporter,

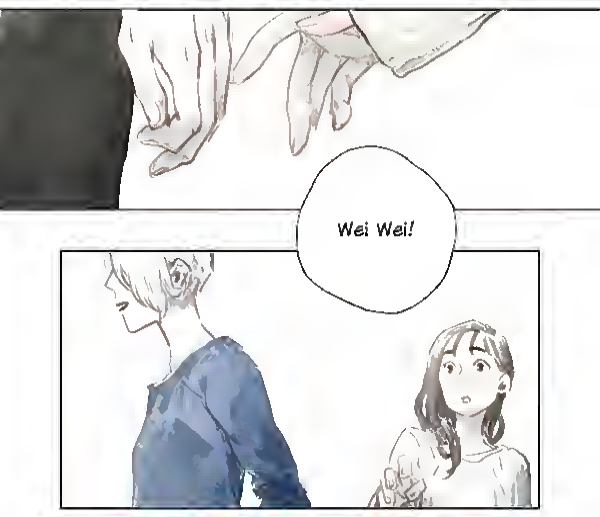


You are my best friend...
And also my most loved person.

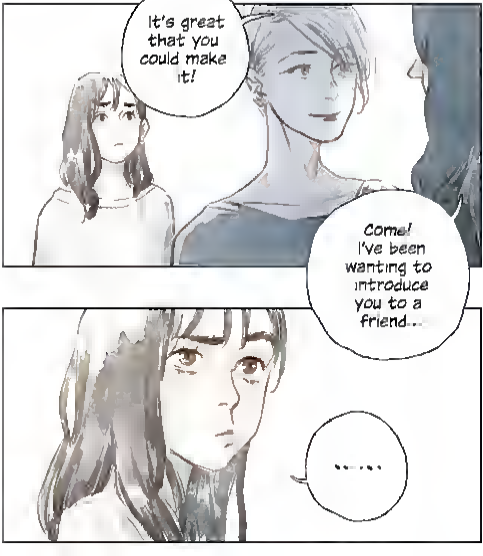


I hope to share all of my happiness with you.....

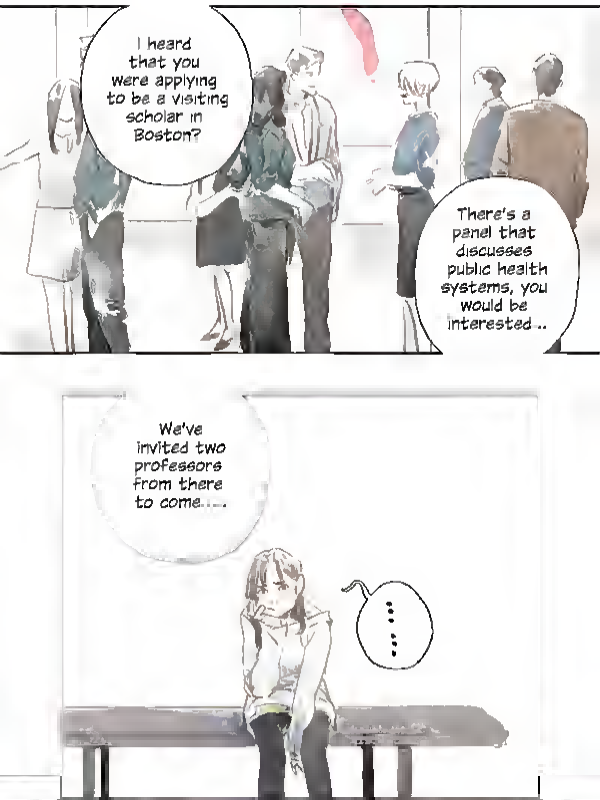




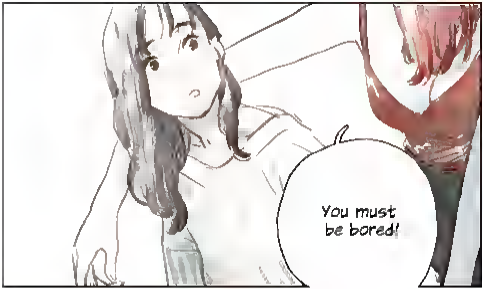
Wei Wei!



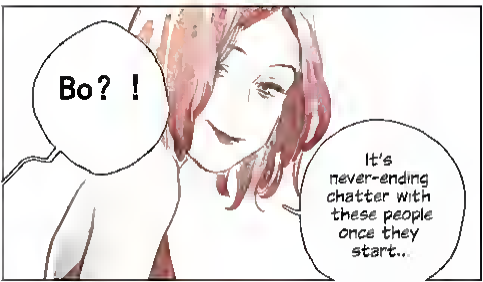
It's great that you could make it!
Come! I've been wanting to introduce you to a friend...
.....



I heard that you were applying to be a visiting scholar in Boston?
There's a panel that discusses public health systems, you would be interested..
We've invited two professors from there to come....
.....



You must be bored!

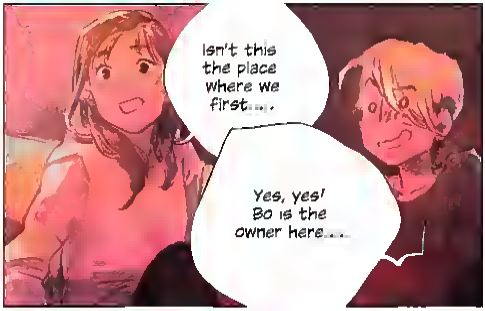


Bo? !
It's never-ending chatter with these people once they start...

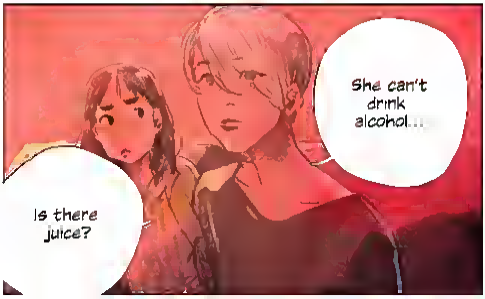
Let's
go!

@Jae-五宝

Today's my treat, so don't hold back!

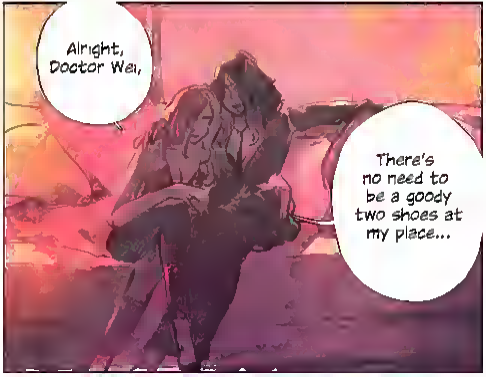


Isn't this the place where we first....
Yes, yes! Bo is the owner here....

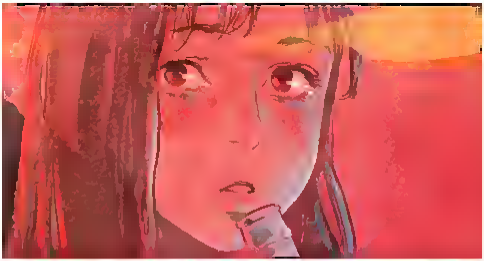


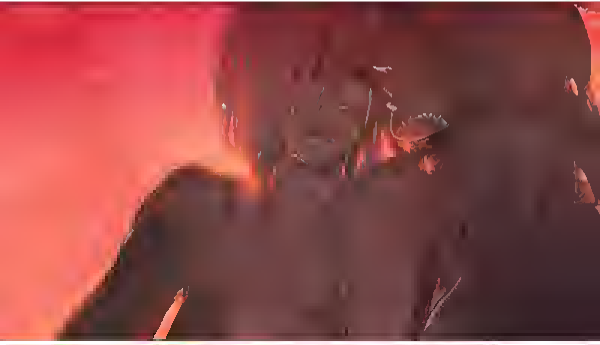
She can't drink alcohol...
Is there juice?

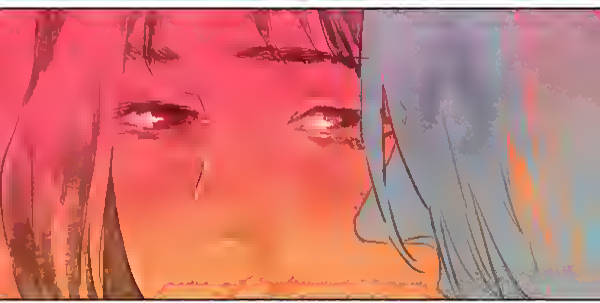
A little beer is no big deal,
Here!



Alright, Doctor Wei,
There's no need to be a goody two shoes at my place...







buzz

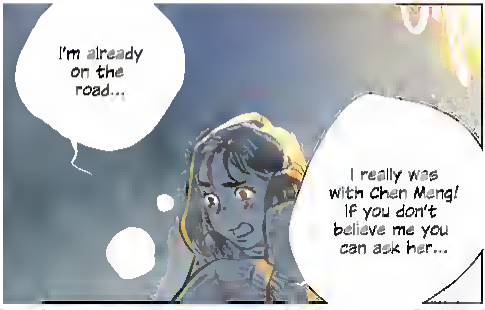
@Jdu-五宝

Almost!
I'm almost
home...



I'm already
on the
road...
I really was
with Chen Meng!
If you don't
believe me you
can ask her...

What did you say?
My signal here isn't good. I can't hear clearly!
Hello hello hello!
If you done hang up on me —

Ooh.....

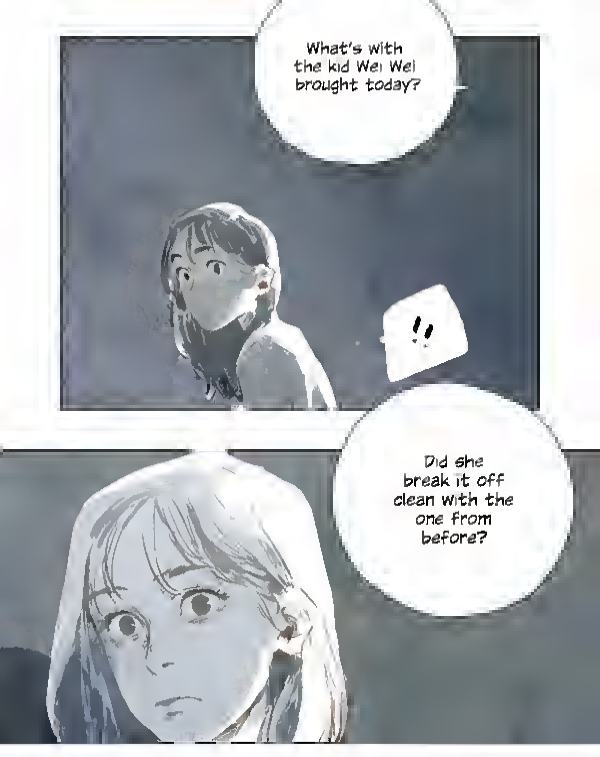
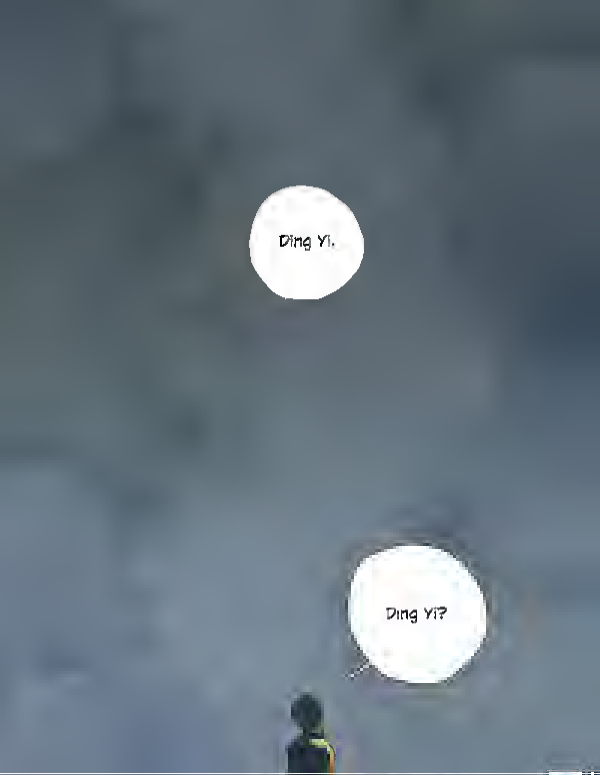
Bo!
And a stranger!
There's someone there!
Don't worry..
Oh no... I saw something I shouldn't have...

It wouldn't be good if your girlfriend found out, right.....
She wouldn't mind this kind of thing.....
Oh right,
The adult world is so scary..... I'd better leave first.

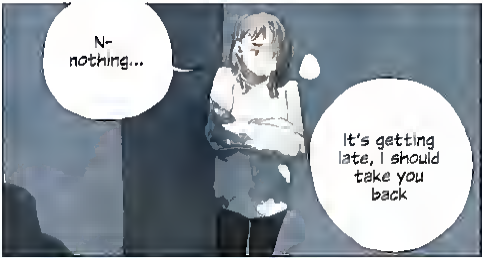


What's with the kid Wei Wei brought today?
!!
Did she break it off clean with the one from before?



Ding Yi.
Ding Yi?

What are you doing there?



N- nothing...
It's getting late, I should take you back

What's wrong, you aren't feeling well?
No... I'm fine...

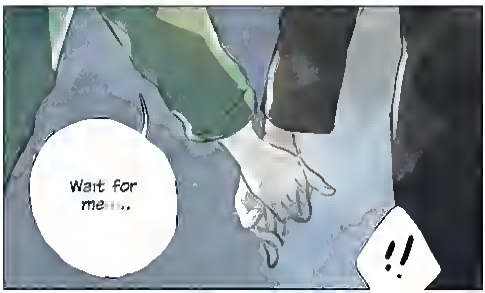
As long as you're fine let's go!

With her indecisive personality how can she make a clean break...

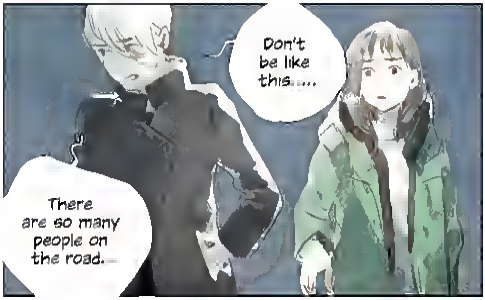
She's been secretly playing house with that straight girl all these years, thinking about it makes me laugh...
Then the one today.....
Would you refuse a young beauty who's eager to embrace you?

She's just
messing
around

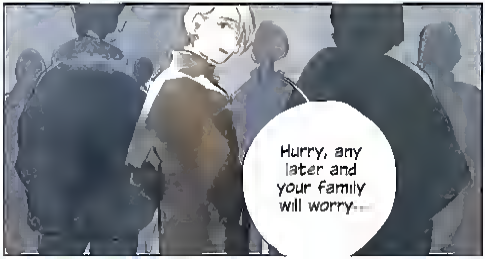
Wei
Wei.....



Wait for
me...
!!



Don't be like this.....
There are so many people on the road...



Hurry, any later and your family will worry...

Wei Wei!

I love you.

What about you?
